Hockey agreed to see if cricket could move to Kingsbrook or elsewhere before putting more effort into their plans to bring hockey back to the County Ground **Action – Hockey**

Any Other Business

1. There was some discussion as how best to maintain the site and if this should be done on a more professional basis with a commensurate increase in membership fees. David Evans suggested the club was not ambitious enough and offered to present an alternative way forward to the committee, albeit as an individual member rather than as the representative of a section.
2. There was some discussion as to the relative merits of pickle ball and padel. The consensus of the meeting seemed to favour padel.

Health & Safety

1. No issues reported.

Date of Next meeting

Monday April 28^h, 7pm.

There being no other business, the meeting was brought to a close
